**FOR IMMEDIATE RELEASE:**

**Norfolk International Airport offers free limited Wi-Fi**

**NORFOLK, Va. – (August 4, 2016)** – Norfolk International Airport (ORF), in partnership with [Airport Business Technologies](http://www.airportbusinesstech.com) (www.airportbusinesstech.com), now offers free limited wireless internet access in addition to paid cruising and high-speed rate plans. Travelers can now access one hour of free Wi-Fi per device per day throughout the public areas of the arrivals and departures terminals. Additional plans and speeds are available depending on user needs.

Rate Plans:

- 1 hour of complimentary internet access – great for checking your email or light web browsing
- An additional hour at 2 Mbps for \$3.95 or all-day for \$6.95
- 5 Mbps – greater bandwidth, for more streaming video or heavy internet usage - \$4.95 per hour or \$9.95 for the entire day

Users can access airport Wi-Fi on their smartphone, tablet or laptop through the official Norfolk International Airport SSID network “TakeORFwifi”. Toll free 24-hour customer support is provided by Single Digits at 855-256-8300.

###

*Norfolk International Airport (ORF) is the major airport serving Coastal Virginia and Northeast North Carolina with 74 daily departures provided by American, Delta, Southwest, United and their regional airline partners. Together they provide nonstop access to 16 major airports including international gateways, allowing convenient access to global destinations. According to the FAA, Norfolk International Airport’s passenger activity is ranked in the top 15% of commercial service airports in the United States with over 3 million scheduled passengers served.*
