Re: Vehicle Addition to Norfolk Airport Authority's Commercial Automobile Policy

Dear Ms. Carpenter,

The Norfolk Airport Authority has recently taken possession of the following new vehicle, which will operate as Vehicle #57:
2018 Ford F550 4X4 Crew Cab VIN# 1FD0W5HT6JEB40693
Cost = \$58,494

This vehicle will replace the 1999 Ford F550 VIN# 1FDAW57F8XEB74417, which is anticipated to be sold at public auction. I will advise you when to remove this vehicle from the Authority's Commercial Automobile policy.

Enclosed is an updated motor vehicle listing for the Norfolk Airport Authority which includes these new vehicles. Please let me know if you have any questions regarding these matters.

Sincerely,
