FOR IMMEDIATE RELEASE:

Norfolk International Airport reports on January 2016 activity

NORFOLK, Va. – (February 23, 2016) – Norfolk International Airport (ORF) reported a 6.16 percent increase in passenger activity for the month of January 2016 with 212,772 passengers. This figure compares to a January 2015 passenger count of 200,417. January marks the 8th consecutive month of year-over-year growth at ORF and is the result of demand filling increased capacity.

In other activity, 4,707,295 pounds of cargo were shipped in and out of the airport during January 2016. This represents a 1.21 percent decrease versus January 2015, which saw 4,765,011 pounds of cargo shipped.

The above-mentioned figures are a reflection of the service by the following airlines: American, Delta, Southwest, United and their regional airline partners. Cargo carriers include Federal Express, Mountain Air Cargo and UPS.

###

Norfolk International Airport (ORF) is the major airport serving Southeast Virginia and Northeast North Carolina with 68 daily departures provided by American, Delta, Southwest, United and their regional airline partners. Together they provide nonstop access to 16 major airports including international gateways, allowing convenient access to global destinations. According to the FAA, ORF is ranked as the 70th largest primary airport in the United States (2014) with approximately 3 million scheduled passengers served.
