FOR IMMEDIATE RELEASE:

Norfolk International Airport to Begin Phase 3 of Terminal Improvements

NORFOLK, Va. – (August 11, 2016) – The Norfolk Airport Authority will soon begin the next phase of renovations to further improve facilities within the Departures Terminal at Norfolk International Airport. This is the third phase in a series of developments that will upgrade the traveler experience and enhance the region’s major air gateway.

Major public elements of the upcoming improvements include the following:

- Renovation of the Public Restrooms in the Departures Terminal second-level main lobby and first-level ticketing lobbies
- Renovation of the Family Convenience Room in the Departures Terminal second-level main lobby
- Construction of three “Mother’s Rooms” in the Departures Terminal second-level main lobby and on both Concourses A and B

The Airport Authority has approved and awarded the bid to Axis Global Enterprises, Inc. as the contractor to perform the work. The architect is Gresham Smith and Partners. The project cost estimate is \$3.5 million and is underwritten by federal and state entitlement funds and Airport Authority funds. The project is scheduled to commence on September 6, 2016 with a completion date of March 31, 2018.

###

Norfolk International Airport (ORF) is the major airport serving Coastal Virginia and Northeast North Carolina with 74 daily departures provided by American, Delta, Southwest, United and their regional airline partners. Together they provide nonstop access to 16 major airports including international gateways, allowing convenient access to global destinations. According to the FAA, Norfolk International Airport’s passenger activity is ranked in the top 15% of commercial service airports in the United States with over 3 million scheduled passengers served in 2015.
