Once you have successfully registered, the organizer will review and approve your registration. Once approved, you will receive a confirmation email.

Now that you have successfully registered, here are a few tips for making your webinar experience as smooth as possible.

- You can add a GoToWebinar appointment to your calendar as a reminder to join the session at the specified time and date.
- Run a system check (link can be found in the confirmation email) to make sure your system is supported, and you have downloaded the software.
- When it is time for the session, just click the Join URL in your confirmation email. **Do not share the Join URL** with anyone – it is unique to you.
