Norfolk International Airport Reports on January 2022 Activity

NORFOLK, Va. - (February 14, 2022) – Norfolk International Airport (ORF) reported an 81.3 percent increase in passenger activity for the month of January 2022 with 220,680 passengers. This figure compares to a January 2021 passenger count of 121,720.

In other activity, 4,453,054 pounds of cargo were shipped in and out of the airport during January 2022. This represents a 17.4 percent decrease versus January 2021, which saw 5,389,768 pounds of cargo shipped.

The above-mentioned figures reflect service by scheduled airlines Allegiant, American, Breeze, Delta, Frontier, Southwest, United and their regional airline partners, and charter airlines iAero Airways, Miami Air, Sun Country, Swift Air and XTR Airways. Cargo carriers include Federal Express, Mountain Air Cargo and UPS.

###

Norfolk International Airport is the major airport serving coastal Virginia and northeast North Carolina and presently ranks in the top 14% of the country's airports in terms of passengers served annually, with over 3.3 million passengers and over 62,000 flight operations in 2021. The Airport is a significant asset to the region, providing global access for airline passengers and cargo, furthering regional commerce and improving quality of life. One of the most powerful economic generators in the region, the Virginia Department of Aviation estimates the Airport's consolidated economic impact in 2019 exceeded 17,300 jobs that paid about \$775 million in earnings, with GDP of more than \$1.3 billion and total economic output of \$2.2 billion.
