NORFOLK INTERNATIONAL AIRPORT TO DISCONTINUE CASH PAYMENTS AT PARKING FACILITIES

- WHO:** Norfolk Airport Authority
- WHAT:** Discontinuance of cash payments for parking at Norfolk International Airport
- WHERE:** All hourly and daily parking lots and garages
- WHEN:** Effective January 15, 2023

Effective January 15, 2023, cash payments for stays in airport parking lots and garages will not be accepted. Contactless payment (Apple Pay and Google Pay), all major credit cards as well as VISA and Master Card debit cards that can be processed as credit cards are accepted. Debit cards cannot be used if a PIN is required.

Alternately, there is a reverse ATM located in the Departures terminal adjacent to the American Airlines ticket counter which will issue a credit card in exchange for cash, for a fee. Patrons may also reserve and pre-pay discounted parking online for a touchless experience.

Staffed self-service and credit card only lanes are open 24 hours daily to serve patrons exiting all garages and surface lots. Self-pay only kiosks are open 24 hours daily to serve patrons exiting the Daily East surface lot.
