Assistant Secretary

Others Present: Anita O. Poston, Esquire, Woods Rogers Vandeventer

Black, Counsel

Bret Hall, Reporter, WAVY-TV 10

Welcome and Call to Order (Deborah H. Painter, Chair):

Deborah H. Painter, Chair, determined that a quorum was present and called the meeting to order at 1:00 pm.

REGULAR AGENDA

Approval of Minutes:

Chair Painter entertained a motion by Commissioner Fraim to approve the minutes of the meeting held on Thursday, January 19, 2023. Commissioner Smith seconded the motion, which was then unanimously approved.

Public Comments:

Chair Painter welcomed public comments. No one from the public requested to comment.

CEO Report (Mark A. Perryman, President & CEO):

Mr. Perryman's presentation included the following:

Featured Department Manager:

Mr. Rondeau introduced Mr. Jeffrey Bass, Associate Vice President, Facilities, and briefly summarized his primary role at the Authority.

Skytrax Results:

Mr. Perryman announced that the Airport was certified with the 4-Star Regional Airport Rating for facilities, comfort, cleanliness, shopping, food & beverages, and staff service standards. Also, the Airport was ranked sixth in the *World Airport Awards* for 2023. Customers vote for this award in the annual *Global Airport Customer Satisfaction Survey*. The survey and awards are independent of airport control, influence, or input.

Departures by Aircraft Seat Class:

The Norfolk Airport is moving towards larger aircraft that will provide a better customer experience.

Top Unserved U.S. Transatlantic Markets:

Norfolk is number six in the top ten unserved U.S. transatlantic market. Currently, over 40 airports in the U.S. now have non-stop European flights. The staff is exploring this opportunity with international travel services in high demand.

Air Service/Marketing:

- The ORF market share continues to grow during February 2023, the highest in the Airport's history.
- ORF is Virginia's only Airport to surpass pre-pandemic 2019 airline seat capacity:
 - o 2023 v 2019, recovery from the pandemic was quicker and exceeded the U.S. system in scheduled seats by over 20%.
 - o 2023 v 2022, the U.S. system is recovering post-pandemic; ORF exceeds in scheduled seats by over 10%.

Capital Projects included:

• <u>Runway 5/23 Concrete Extensions Project</u>: The project design is being finalized. Phase 1 completion is anticipated in November 2023, and Phase 2 in November 2024. The

- projected construction and design cost for both phases is \$30 million. Bid opening occurred on January 31, 2023.
- Moving Sidewalk Project: Bid opening is anticipated in June 2023, with construction beginning in January 2024 and completion in June 2024. The estimated project cost is \$6M. In addition, the Authority received \$5.4M in funding with the discretionary Bipartisan Infrastructure Law Airport Terminal Program.
- <u>Alpha Gate Addition Project</u>: The project includes three Common Use Gates and additional restrooms. The estimated design and construction cost is \$28M.
- <u>Terminal Development:</u> The project consists of a linear ticket lobby, consolidated check baggage inspection system, expanded baggage make-up area, new shipping and receiving area, and consolidated checkpoint. The design phase will begin in FY 2024, the anticipated construction in FY 2025, and be completed in FY 2027. The estimated cost is \$260M. Funding will come from Passenger Facility Charge (PFC) for eligible passengers and General Airport Revenue bonds.
- <u>Federal Inspection Services Facility Project</u>: The project will allow passengers access to their baggage before screening. Staff is considering two options: 1) Redesign the existing FIS facility to provide a *Unified Primary*, and 2) Build a new stand-alone *Bags First* facility adjacent to the existing facility, which fully meets today's new standards.

Finance/Administration:

Financial highlights include:

- <u>The January 2023 Financial Report</u>: Operating Revenues are over budget, and Expenses are under budget.
- New Airline Use & Lease Agreement: The current agreement expires on June 30, 2023. Meetings with the airlines regarding the new agreement are continuing.

Strategic Plan:

Mr. Sterling provided a current overview of the Strategic Plan and each of the four goals.

Board Chair Report:

Chair Painter commented positively on the CEO and Staff presentation and welcomed questions and comments from the Board.

Committee Report:

Finance and Audit Committee:

On behalf of the Finance and Audit Committee, Committee Chair Pilato recommended approval of the Preliminary Budget for FY 2024 and moved for its adoption. The motion was unanimously approved.

Old Business: None

Closed Meeting:

Vice Chair Gemeda moved that the Board of the Norfolk Airport Authority convene in a closed meeting pursuant to Section 2.2-3711. A.3 of the Code of Virginia for the following business:

Subsection 3. Discussion of the acquisition of real property by the Authority for the benefit of the Norfolk International Airport and the related disposition of real property owned by the Authority, where discussion in an open meeting would adversely affect the bargaining position and negotiating strategy of the Authority;

Subsection 8. Consultation with staff and with legal counsel retained by the Authority regarding specific legal matters requiring the provision of legal advice by such counsel; and

Subsection 29. Discussion of the award of a public contract involving the possible expenditure of public funds and discussion of the scope of such contract, where discussion in an open session would adversely affect the bargaining position or negotiating strategy of the Authority.

Treasurer Decker seconded the motion, and the vote to approve was unanimous. Following the vote, the Authority convened in a closed meeting.

Reconvene Open Meeting:

Following the closed meeting, Chair Painter reconvened the open meeting. Vice Chair Gemeda moved for the adoption of the following Resolution and Certification:

Now, therefore, be it resolved that the Board of the Norfolk Airport Authority hereby certifies that to the best of each Commissioner's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Code, and (ii) only such public business matters as were identified in the motion by which the closed meeting was convened were heard, discussed, or considered in the closed meeting.

Commissioner Burnette seconded the motion. The motion was approved by roll call vote as follows:

| Commissioner | Response | Commissioner | Response |
|---------------------|----------|-----------------------|----------|
| Michael B. Burnette | Yes | Peter G. Decker III | Yes |
| Paul D. Fraim | Yes | Mekbib Gemeda | Yes |
| Peggy H. Newby | Yes | Deborah H. Painter | Yes |
| Susan C. Pilato | Absent | Charles 'Chip' W Rock | Yes |
| Bruce B. Smith | Yes | | |

New Business:

Approval of Resolution on behalf of St. Mary's Home for Disabled Children, Inc.: Staff recommended approval of the attached resolution adopting modifications to certain revenue bonds previously issued on behalf of St. Mary's Home for Disabled Children, Inc.

Commissioner Decker moved to approve the resolution, which was seconded by Commissioner Newby and unanimously approved.

NAA Board of Commissioners Meeting Minutes Thursday, March 23, 2023 Page **5** of **5**

Adjournment (2:35 pm):

There being no further business, Vice Chair Gemeda moved that the meeting adjourn. Commissioner Smith seconded the motion, which was unanimously approved. The next meeting is scheduled for Tuesday, May 23, 2023, at 1:00 pm.

Summary of Capital Expenditures - FY24 NAA Budget

| Item | PROJECT | DESCRIPTION |
|----------|--|--|
| 1 | Alpha Concourse Terminal Expansion - Design and Construction | Enplanements, as projected by the Airlines, in FY24 exceed the Planning Activity Level 2 enplanements within the Master Plan Update. Per the Master Plan Update we require 4 additional gates to accommodate this amount of passengers. A study effort conducted in FY23, combined with discussions between the Airlines and the Authority has resulted in a conceptual design which includes 3 gates with common holdrooms which are serviced by 4 passenger loading bridges. The concept also includes a second set of restrooms for the concourse. This project will fund the design and construction of these improvements. |
| 2 | Departures Terminal Expansion - Design Development and Construction Manager Fees | This effort will continue to develop the design option that is selected from the FY23 terminal study. The primary elements to be designed include the Ticket Lobby Expansion and the Consolidated Checked Baggage Inspection Services facility improvements. The secondary element will be the Consolidated Security Screening Checkpoint. This effort will also initiate procurement of a Construction Manager for further development of design and input on construction techniques and phasing. Construction expenses for the Ticket Lobby and CBIS improvements will be requested in FY25. The consolidated checkpoint construction expenses will be requested in a future year to be determined. |
| 3 | Pedestrian Bridge Moving Walkways - Construction | Installation of Moving Walkways on the pedestrian bridge connecting the Arrivals Terminal/Parking Garage complex with the Departures Terminal Building. This effort addresses many customer complaints regarding in-terminal walking distances. |
| 4 | Arrivals Terminal Restrooms Renovations - Construction | Renovation of the three sets of Men's and Women's restrooms to complement the new restrooms on the concourses and in the Departures Main Lobby. The Arrivals restrooms have not been updated since they were constructed 20 years ago. |
| 5 | Alpha Concourse Roof Replacement - Construction | The existing roof system was installed in 1994 and is approaching 30 years in age. The roof is out of warranty and has developed numerous leaks in recent years which require many expensive repairs. This project will replace the modified asphalt built-up roof with a PVC membrane system. |
| 6 | Mill and Overlay Taxiway C - Mid-field - Design and Construction | The sections of TWY C that were not rehabilitated with recent airfield projects will be milled and overlayed. The 2019 Pavement Management Plan rated the mid-field area of Taxiway C as being in Fair condition. However, projected deterioration rates per the PMP place much of the pavement in the Poor category in 2024. |
| 7 | Mill and Overlay General Aviation Aprons - Design and Construction | The 2019 Pavement Management Plan rated the General Aviation Facility apron and taxilane pavements as being in Fair condition. However, projected deterioration rates per the PMP place much of the pavement in the Poor category in 2024. |
| 8 | Interior Wayfinding Improvements - Construction | This project will fund construction related expenses for the replacement of the existing interior wayfinding with improved signage that provides consistent and efficient messaging for passengers within the terminal and concourse complex. Signage will move away from the bronze standard that exist today and will become the Authority's previously selected blue standard to allow for increased visibility. |
| 9 | Fuel Facility Rehabilitation - Design and Construction | Rehabilitate the existing fuel facilities based on the condition assessment report issued by the consultant in April 2023. Improvements will address all items which were identified as needing immediate attention per the Air Transport Associate of Americas (ATA) Standard for Jet Fuel Quality Control at Airports - ATA Specification 103. |
| 10 | Rental Car Ready / Return Combination Improvements - Garage A and Ticket Lobby - Design | As an alternative to the construction of a large consolidated rental car facility, this project will design individual floors within Garage A for each of the of rental car families. It is anticipated that dedicated entrance and exit helixes will be used to access three levels of Garage A. This project will also allow for the cobranding of ticket counters in the Arrivals Terminal lobby. |
| 11 | Holdroom Seating per Airline Use and Lease Agreement | Under the proposed conditions of the new Airline Use and Lease Agreement the Authority will own and maintain all holdroom furniture. This project will purchase and install new holdroom seating in 18 holdrooms. |
| 12 | Gate 1 Federal Inspection Services Facility Modernization (Design) | US Customs and Border Protection has notified the Authority that the existing commercial air carrier international clearance facilities at Gate 1 require modifications in order to stay current with CBP's layout and processing standards. This project will coordinate the design with Customs and provide a cost estimate for construction. |
| 13 | Stairwell Refurbishment - Construction | Holdroom stairwells need painting, and the risers, treads and handrails need replacing. Lighting upgrades will also be provided. |
| 14 | Administrative Offices Consolidation and Relocation - Design | The Authority's administrative offices are in multiple locations throughout the Departures Terminal Main Lobby. This project will combine all administrative office spaces into a single space intended to promote improved communication, cooperation and efficiencies amongst the Authority's administrative staff. |
| 15 | Concourse Service Animal Relief Areas - Design and Construction | The Authority has identified locations for SARA facilities on the Alpha and Bravo Concourses. This project will cover design and construction expense related to the SARA facilities. |
| 16 | Airport Layout Plan Update | Updates as require to the Airport Layout Plan (ALP) to reflect Airfield and Terminal Improvements evaluated and revised since ALP was signed in April 2021. |
| 17 | Stormwater Master Plan | This document will determine onsite and offsite strategies to address the Authority's water quality and water quantity requirements for proposed future development as shown in the Master Plan Update. The plan will take into consideration both airside and landside projects. |
| 18 | Automatic Vehicle Gate Upgrades | Replacement of the airfield access gate controllers and vehicle loops. The existing equipment is nearing the end of its useful life and the reliability of these gates has decreased in recent years. This project will add emergency power heaters in each controller which will result in increased operational reliability during inclement weather conditions. |
| 19 | Buildout of Vacant Main Lobby Concession Shell | The future use of the concession space previously occupied by Hudson News has yet to be determined. This project will cover buildout expenses once the best use of the space is determined by the Authority. |
| 20 | Arrivals Terminal Curbside Accessibility Improvements - Schematic Design | This effort will identify improvements needed to provide passenger loading zones that meet current accessibility standards. Options will be presented with costs estimates and phasing requirements. Staff will select the preferred option for design and construction in FY25. |
| 21 | Safety Management System | The FAA issued a final ruling at the national level in February 2023 that requires SMS at ORF. The SMS will be an organization-wide comprehensive approach to managing safety and will include a safety policy with formal methods for identifying hazards and mitigating risk. |
| 22 | Remove Underground Storage Tanks at General Aviation Facility | The underground tanks which previously stored aviation gas for piston powered general aviation aircraft have recently been replaced by an above ground storage tank adjacent to the Fuel Farm. This effort will decommission and remove the underground tanks that are no longer required. |
| 23 | IT Network Components Replacement | This project will replace one network server and multiple network switches that are nearing the end of their useful life. |
| 24 | Mill and Overlay Fire Training Facility Pavement - Construction | The Fire Training Facility parking lot pavement is in poor condition and requires rehabilitation. Properties in the vicinity of the airport routinely become available for acquisition. This project services as a budget placeholder for such opportunities should one arise in the fiscal year. |
| 25 26 | Property Acquisition Main Terminal Electrical Suitabases Mademization, Decign | This project will evaluate and design electrical switchgear replacement for the main terminal and concourses. Much of the existing equipment is becoming obsolete and it is very difficult to obtain |
| 27 | Main Terminal Electrical Switchgear Modernization - Design Upgrade Chiller Control Panels | parts. Upgrade to the chiller control panels for one unit in the Departures Terminal and two units in the Arrivals Terminal. The parts and programming for the current controls are being phased out which is |
| | 1.7 | making it more difficult to purchase parts and download programming. |
| 28 | IT Network Master Plan Field Maintenance Equipment Bay Ceiling Insulation Repairs | This effort will develop detailed mapping of existing network infrastructure and plan for the long term replacement and development of the Authority's information and technology system. The existing insulation is deteriorating and falling to the floor in numerous locations. The insulation will be repaired where possible and replaced where required. |
| 30 | Personal Protective Equipment Replacement | The existing instantion is deteriorating and rating to the ritor in numerous locations. The instantion will be replaced where possible and replaced where required by National Fire Protection Association to be replaced every 10 years. The Fire Department's current PPE will expire in June of 2024. |
| 31 | Office Buildout and Furniture for Additional Staff | Purchase of office furniture and equipment for four new administrative positions. Construction expenses for the buildout of three positions requiring new office spaces. |
| 32 | All-Weather Utility Vehicle | To be used for year round exterior terminal building maintenance. |

RESOLUTION OF THE NORFOLK AIRPORT AUTHORITY AUTHORIZING THE IMPLEMENTATION OF AN ALTERNATE VARIABLE INTEREST RATE FOR THE AUTHORITY'S 2020 LINE OF CREDIT

WHEREAS, the Norfolk Airport Authority (the "Airport Authority") has previously issued its Subordinate Lien Airport Revenue Note, Series 2020 (Revolving), in the aggregate principal amount outstanding at any one time not to exceed \$30,000,000 (the "Subordinate 2020 Note"), to finance certain capital improvements at Norfolk International Airport, pursuant to the following "Line of Credit Documents:" a Fifth Supplemental Indenture of Trust, between the Airport Authority and U.S. Bank National Association, as trustee, supplementing a Master Indenture of Trust dated as of April 1, 2001, between the Airport Authority and the trustee, and a Subordinate Lien Revolving Credit Agreement, between the Airport Authority and STI Institutional & Government, an affiliate of Truist Bank;

WHEREAS, the Subordinate 2020 Note is currently outstanding and bears interest at a variable rate based on the LIBOR Rate (as such term is defined in the Subordinate 2020 Note), subject to adjustment as provided in the Subordinate 2020 Note and the Subordinate Credit Agreement, including the adjustment to an "Alternate Rate" in the event that the LIBOR Rate is no longer maintained; and

WHEREAS, in contemplation of the cessation of LIBOR on June 30, 2023, the Airport Authority and the Line of Credit Lender desire to implement the "Alternate Rate" provisions of the Subordinate Credit Agreement to provide for a successor rate to the LIBOR Rate;

NOW, THEREFORE, BE IT RESOLVED BY THE NORFOLK AIRPORT AUTHORITY:

- 1. The Airport Authority hereby authorizes the President and CEO, Chairman and Vice-Chairman, any of whom may act, with the advice of the Airport Authority's financial adviser and counsel, to negotiate, approve, enter into and execute such modifications, amendments, and supplements to the Line of Credit Documents to provide for a successor rate to the LIBOR Rate, provided that (i) any such modification, amendment, or supplement shall result in a successor rate that is approximately the economic equivalent to the LIBOR Rate, and (ii) no such modification, amendment, or supplement shall increase the principal amount of the 2020 Subordinate Note or extend its maturity.
- 2. Each authorized officer is authorized to execute and deliver on behalf of the Airport Authority such other instruments, documents or certificates and to do and perform such other things and acts as he or she shall deem necessary or appropriate to carry out the transactions authorized by this Resolution
 - 3. This Resolution shall take effect immediately upon its adoption.

CERTIFICATE

| The undersigned Assistant Secretary of the Norfolk Airport Authority (the "Airport |
|--|
| Authority") hereby certifies that the foregoing is a true, correct and complete copy of a resolution |
| adopted by a majority of the Commissioners of the Airport Authority present and voting at a |
| meeting duly called and held on May, 2023, in accordance with law, and that such resolution |
| has not been repealed, revoked, rescinded or amended, and is in full force and effect on the date |
| hereof. |
| |

| WITNESS the following signature this day of May, 2023. |

PROPOSED RESOLUTION REGARDING CERTAIN FINANCIAL AUTHORITY OF THE PRESIDENT

WHEREAS, the President and Chief Executive Office is charged with managing the operations of the Norfolk Airport Authority, and

WHEREAS it is necessary and appropriate for the President to take action which requires the expenditure of funds of the Authority in order to carry out the responsibilities of his position and the directions and policies of the Board; and

WHEREAS the President has responsibility to direct the expenditure of funds approved in the capital and operating budgets annually approved by the Board.

NOW, THEREFORE, BE IT RESOLVED as follows:

- 1. The President and Chief Executive Officer shall have full authority to implement the annual budgetary plans and projects approved by the Board and to proceed with any expenditure approved in the annual operating and capital budget without further approval by the Board; and
- 2. The President and Chief Executive Officer shall be, and hereby is, authorized to delegate to the management staff of the Airport such authority as he shall determine for the expenditure of funds approved in the budget; and
- 3. The President and Chief Executive Officer shall have the authority, in his discretion, to make commitments for capital and operating expenditures not otherwise approved in the annual budget in an amount not to exceed a total of \$1,000,000 in any fiscal year.

CERTIFICATE

| The undersigned Assistant Secretary of the Norfolk Airport Authority (the "Airport |
|--|
| Authority") hereby certifies that the foregoing is a true, correct and complete copy of a resolution |
| adopted by a majority of the Commissioners of the Airport Authority present and voting at a |
| meeting duly called and held on May, 2023, in accordance with law, and that such resolution |
| has not been repealed, revoked, rescinded or amended, and is in full force and effect on the date |
| hereof. |

| WITNESS the following signature this day of May, 2023. | |

Closed Meeting and Reconvene Meeting Document

Norfolk Airport Authority

Board of Commissioners Meeting

Tuesday, May 23, 2023

Closed Meeting and Reconvene Meeting Script and Certificate

Closed Meeting:

I move that the Board of the Norfolk Airport Authority convene in a closed meeting pursuant to Section 2.2-3711. A.3 of the Code of Virginia:

Subsection 3. Discussion of the acquisition of real property by the Authority for the benefit of the Norfolk International Airport and the related disposition of real property owned by the Authority, where discussion in an open meeting would adversely affect the bargaining position and negotiating strategy of the Authority.

This motion will need to be moved, seconded, and approved in the open meeting.

Reconvene Meeting:

Upon the conclusion of the closed meeting, the following certification must be taken in the open meeting and approved by roll call vote:

Now, therefore, be it resolved that the Board of the Norfolk Airport Authority hereby certifies that to the best of each Commissioner's knowledge (i) only public business matters lawfully exempted from open meeting requirements under the Virginia Code, and (ii) only such public business matters as were identified in the motion by which the closed meeting was convened were heard, discussed, or considered in the closed meeting.

Adjournment

Norfolk Airport Authority

Board of Commissioners Meeting

Tuesday, May 23, 2023
