

**Breeze Celebrates Second Birthday with Summer Sale Fares
from \$44* One Way from Norfolk for June Travel
-- The Nice Low-Cost Carrier Turns Two on May 27 --**

Norfolk, VA (May 2, 2023) – [Breeze Airways](#), the newest, nicest domestic low-fare airline, is entering its third year of service this month and adding dozens of nonstop routes nationally this summer. To celebrate the airline’s second birthday, Breeze is putting five routes from Norfolk on sale for June travel.

Breeze’s Welcome Summer Fares:

From Norfolk, VA to:

- Islip-Long Island, NY starting from \$44* one way;
- Jacksonville, FL starting from \$57*;
- New Orleans, LA starting from \$59*;
- Tampa, FL starting from \$64*; and
- Westchester County, NY starting from \$49*.

With a focus on flexibility, ease, comfort and affordability, Breeze is commemorating the two-year milestone by defining a new category of air service – NLCC, or Nice Low Cost Carrier -- and staking its claim in its tagline, Seriously Nice,[™] with a June travel promotion featuring the airline’s lowest fares on 46 routes, social media giveaways, and a myriad of product enhancements and announcements throughout the month of May.

“Since Breeze started flying two years ago, we have been serious about igniting positive change within a stagnant, oftentimes unfriendly, industry through our unique combination of low fares, flexible policies, efficient flights and Seriously Nice Team Members and experience,” said David Neeleman, Breeze Airways’ Founder and CEO. “We are going ‘all in’ this May to stake our claim in ‘NLCC’ by highlighting all the things that make up this unique model starting with dozens of new flight inaugurals and our lowest fares right ahead of the summer season.”

With a mission of “Nice people, flying nice people to nice places”, Breeze offers its Guests both bundled and a la carte options known as Nice, Nicer and Nicest. The Nicest bundle includes two checked bags, a first class seat and complimentary snacks and beverages, including alcohol.

Breeze currently flies both short distance and transcontinental flights within the U.S. on a fleet of Embraer 190/195 and Airbus A220-300 aircraft. The carrier has ordered a total of 80 A220s, with options for 40 more.

Seat pitch for a Standard Economy seat is 30 inches on the A220s and 31 inches on the E-195s, while seat pitch for Extra Legroom is 32 inches on the A220s and between 34 and 39 inches on the E-195s, depending on the row selected. First Class seats feature 39 inches of seat pitch, 20.5 inches of seat width, and special features including a footrest for added comfort, and in-seat AC power and USB/C ports.
