MEDIA ADVISORY

Norfolk International Airport Preparing for Severe Weather Impacts

NORFOLK, Va. (Sept. 22, 2023) - The Norfolk Airport Authority is monitoring the impending severe weather and its effect on Norfolk International Airport. Airport Operations staff will open the Storm Desk at 1:00pm today which will remain open for the duration of the weather. Tenants and airlines have begun the process of securing the airfield.

As of this morning, airline operations are not affected, however travelers are encouraged to check with their airline for flight status.

Airport Terminals are open 24 hours/day and parking garages and lots are open to the public at prevailing rates.
